NOVAE UNIVERSITY VIP MEMBERSHIP TERMS & CONDITIONS

YOUR VIP MEMBERSHIP STATUS IS NON-REFUNDABLE, NON-TRANSFERRABLE NOR RE-SALEABLE.

It is only valid for use by the actual Novae University VIP Member. In addition, your VIP Membership cannot be used in exchange for other events, merchandise and programs, not specifically outlined in your current VIP Membership Package. Your VIP Membership cannot be combined with any other coupon, discount or offer. If you do not attend the programs offered to you within your VIP Membership Package, you willingly made that choice and still understand and agree that you are not eligible for a refund or any other type of recourse. It is your responsibility to maximize the usage of your Novae University VIP Membership.

There are absolutely no refunds on the purchase of the Novae University VIP Membership

Your Novae University VIP Membership includes lifetime unlimited: Novae University Blueprint for Success trainings, Champion Speakers Boot Camp, Communication Pro Workshop, Leadership 2 Legacy Intensive, and a customized webpage & lead capture system. All Novae University training programs are FREE to register and all of the advanced training programs require a nominal $97 registration tuition ($97 registration tuition for a spouse, if applicable) to attend. Novae University will provide ongoing training programs and usually one (1) advanced training program every three to six months. (Champion Speakers Boot Camp will take place at least two (2) times a year.)

Due to the realities and uncertainties of life and business Novae University, Reco McCambry or any of it's affiliate companies, partners or vendor relationships cannot predict or guarantee the length of time this program will last. Even though you have signed up for lifetime unlimited trainings and even though it is Novae University and Reco McCambry's good intentions to provide lifetime unlimited trainings, you are also entering into this agreement with sound mind and understand and agree that there are very real risks associated with purchasing a Novae University VIP Membership. Some of the risks associated with Novae University and Reco McCambry being able to provide lifetime unlimited trainings include: Novae University no longer being in business, the program fails and Novae Universityis financially unable to conduct anymore training programs, catastrophic circumstances (illness or death of Reco McCambry or any or all other trainers), mother nature, etc., or any other potential problems or challenges that could occur and arise and ultimately prevent Novae University and Reco McCambry from providing lifetime unlimited trainings. If Novae University or Reco McCambry are unable to provide anymore trainings, you understand there are no refunds and you agree that you will have no financial or legal recourse and action and agree to hold Novae University, Reco McCambry or any of it's affiliate companies, partners or vendor relationships completely harmless.

Novae University reserves the right to change the date and venue and location of any of the training programs. Novae University reserves the right and has the full authority to determine the location of all the training programs, and is not required to conduct training programs in any one specific city. Just because you purchased your Novae University VIP Membership in the city you may live in, Novae University is not required to conduct trainings in that city again. Novae University reserves the right and has full authority to determine who conducts trainings and what are the criteria to be able to conduct trainings. Although Reco McCambry may conduct many of the training programs, Novae University does not guarantee that Reco McCambry will be conducting any of the training programs. Novae University trainings will be conducted by professional, skilled and experienced trainers who have gone through vigorous screening and proper training, to ensure that those trainers are very competent and capable of providing an excellent training program. Novae University has the full authority to make changes and adjustments to the terms, conditions, rules and protocols of the Novae University VIP Membership program as deemed appropriate for the success of the program. These changes and adjustments can occur at any time and without prior approval from the Novae University VIP Members. Novae University VIP Members will be notified of all material changes and adjustments.

In order to utilize your Novae University VIP Membership you must be pre-registered by the Wednesday prior to the training you would like to attend. Simply go to WWW.NOVAEUNIVERSITY.COM and register for the training of your choice (to receive your FREE discount, you should enter the current promotional code in the appropriate section during the registration process). There will be no tuition required for the appropriate Novae University Trainings, and you will be officially registered for that training. Should you not meet the required Wednesday pre-registration deadline for the training program you would like to attend, your VIP Membership will not be valid for that training and if you still want to attend that training, you are required to pay the applicable tuition for that program. VIP seating will only be awarded to the appropriate number of pre-registrations that are set forth for that specific training program. In order to ensure you receive a VIP seat, we suggest you pre-register early. Once VIP seating is full, you'll be assigned a general admission seat regardless of your VIP status. You must sign in at the on-site registration area upon arrival at the seminar. You may be given an entrance pass, which will be checked by our Novae University staff members at the entry doors to the seminar.

Your Novae University VIP name badge will be given to you at the first training you attend after you have paid for your Novae University VIP Membership in full. You must bring and wear your personalized Novae University VIP name badge to every event you attend. Not bringing your personalized name badge will require us to issue you a temporary name badge for that event, and will require you to pay a $5 fee. Your name badge is your responsibility. Should it get lost or damaged and need replacing, you will be required to pay a $20 replacement fee.

Blueprint Success Seminars will process each monthly payment no later than 5 days after the date agreed to on Page 1 of the Blueprint VIP Membership Registration Form. If a payment is unable to be processed, Novae University will contact you to receive an alternative form of payment. If a payment is not processed within 15 days of agreed upon payment date, your Blueprint VIP Membership will become inactive. If your membership becomes inactive, any special VIP Membership discount received at the time of application will be void and regular pricing will apply (see Page 1 of the Novae University VIP Membership Registration Form for regular pricing). In order to re-activate your VIP Membership, your balance must be paid in full or a new payment plan be approved by Blueprint Success Seminars.

If your Novae University VIP Membership is inactive or you have any monthly payments past due, you will be unable to attend any Blueprint Success Seminars trainings as a Novae University VIP Member. You can choose to pay the regular tuition and/or use any available credits to attend the training. If your Novae University VIP Membership becomes inactive, any monthly payments made toward the purchase of your VIP Membership will be treated as account credits. Any program or training that you attend as a VIP Member and/or any products or services that you receive, as part of a Novae University VIP Membership promotion will be deducted from your available credit at the regular price.
